Connaître les principes et les pratiques de gestion pour diriger et contrôler des équipes d'agents fonctionnant par quart, vingt-quatre heures par jour, sept jours par semaine, qui sont chargés de réaliser de multiples programmes en vue d'atteindre des objectifs divisionnaires et nationaux découlant du mandat de protection des frontières de l'Agence.

Connaître les techniques et les pratiques d'entrevue, d'inspection et d'examen des personnes, des biens et des moyens de transport pour accomplir la mission de protection frontalière. De plus, connaître les pratiques d'évaluation de la menace et du risque, des techniques de désamorçage de situation et les procédures d'utilisation de la force pour gérer et diriger efficacement des agents affectés à la répression de la criminalité frontalière.

Connaître les conditions d'ordre politique et socioéconomique internationales ainsi que les incidences de ces conditions sur les tendances de l'immigration et connaître la situation des maladies et des ravageurs de tous les pays dans l'optique de l'application de la *Loi sur la protection des végétaux* et de la *Loi sur la santé des animaux*.

Connaître la législation administrée par l'ASFC et avoir une connaissance d'usage d'autres législations fédérales et de la réglementation reliées à soixante autres lois. Connaître le *Code criminel* et la *Charte canadienne des droits et libertés* afin d'utiliser correctement les pouvoirs d'arrêter et de mettre en détention.

Avoir une connaissance poussée des pratiques et des procédures en matière de relations de travail de l'ASFC pour améliorer les relations patronales-syndicales et entretenir des relations patronales-syndicales harmonieuses et productives, pour être en mesure d'intervenir en cas de griefs au premier palier et pour informer la haute direction sur les dossiers patronaux-syndicaux et sur les griefs.

Connaître l'organisation, la mission, les processus administratifs du bureau de district, connaître les unités régionales telles que la Division du renseignement, la Division des enquêtes et la Division de l'exécution de la loi pour services intérieurs pour pouvoir approfondir les enquêtes et la répression des infractions et pour la mise au point d'un corpus de renseignements. Connaître d'autres ministères fédéraux et d'autres organismes d'exécution de la loi afin de maintenir des partenariats et des relations de travail efficaces.

Examiner et analyser les rapports sur les dépenses relatives au travail en temps supplémentaire et aux budgets de fonctionnement. À partir de cette analyse, faire des estimations et des recommandations en vue de futures propositions de budget. Analyser les mises à jour budgétaires et préparer des analyses du rapport coûts-avantages des programmes opérationnels pour les besoins des gestionnaires de district ou régionaux.

Procéder régulièrement à l'analyse de rapports, de directives, de renseignements techniques, de rapports de renseignement et d'information ainsi que des modifications apportées à la législation complexe, et interpréter cette somme d'information pour les besoins des subalternes.

Examiner les bases de données internes et externes afin d'évaluer le risque que posent les voyageurs, les biens et les moyens de transport qui entrent ou qui sortent. Cette information est analysée et une hypothèse est formulée à partir de laquelle les menaces sont conceptualisées pour les besoins de l'ASFC et d'autres organismes d'exécution de la loi. Les menaces relevées touchent tous les programmes réalisés par l'ASFC.

Analyser les tendances dans la perspective de l'exécution de la loi par l'Agence et d'autres stratégies, afin de définir les besoins d'ordre opérationnel et les besoins en formation et pour planifier les activités futures.

Analyser les programmes, les politiques et les procédures nationaux et régionaux proposés afin de formuler des commentaires à l'intention des cadres supérieurs de l'ASFC. Le ou la titulaire formule des recommandations sur les incidences opérationnelles des propositions qui se répercuteront sur la prestation des services et sur tous les programmes de l'ASFC d'un point de vue local, de district, régional et national.

Habiletés de communication pour interroger ou conseiller des personnes qui sont agitées ou violentes. Les habiletés de communication, y compris les techniques d'entrevue et d'interrogatoire, doivent être appliquées de façon adaptée de manière à obtenir des renseignements de personnes qui refusent de coopérer.

Donner de l'information et expliquer la réglementation et les exigences de l'ASFC et autres exigences et réglementation gouvernementale aux voyageurs internationaux et autres de manière qu'ils comprennent pleinement les exigences concernant l'entrée de personnes et de biens au Canada et qu'ils s'y conforment. Le ou la titulaire doit posséder des habiletés à parler et à présenter des exposés en public ainsi qu'à produire des communications écrites quand il ou elle explique la législation et la réglementation aux gens du public, aux médias et aux représentants d'autres ministères.

Les habiletés de communication interviennent quand il y a eu plainte et qu'il faut faire de la médiation entre le client ou la cliente et les subalternes. Ces habiletés sont utilisées pour résoudre les divergences d'opinions ou les malentendus et pour préciser les lignes de conduite.

Efforts - Effort

À l'occasion, utiliser des articles de protection personnelle et employer des techniques d'utilisation de la force pour contrôler et désarmer des personnes violentes, ce qui exige de la dextérité physique et de la coordination oculo-manuelle. Force et dextérité sont parfois nécessaires pour conduire des véhicules ou des embarcations.

Rester debout pendant des périodes prolongées, à l'occasion, à observer le travail des employés. À l'occasion, s'installer au clavier d'un ordinateur pour rédiger des rapports et consulter des bases de données.

Responsabilités - Responsibility

Interpréter et expliquer la législation, la réglementation et les exigences de l'ASFC aux gens du public dans des situations litigieuses qui surviennent par suite d'un malentendu ou d'un manque de connaissance de la loi. Rassembler et préparer l'information requise à la tenue de l'enquête comme suite à une plainte ou à un appel. Régler les différends relatifs aux exigences ou à la prestation de service à l'Agence avec les membres du public, les importateurs ou d'autres ministères.

Gérer les activités d'équipes multidisciplinaires qui travaillent par quarts vingt-quatre heures par jour et qui sont disséminées dans divers endroits géographiques. Établir les buts et les objectifs, surveiller et évaluer le rendement. Mener des processus de sélection et de recrutement. Déterminer et recommander les niveaux de ressources humaines en cernant les besoins d'ordre opérationnel.

Mettre sur pied, présider, coordönner et diriger des activités spéciales d'exécution de la loi avec des unités locales et régionales et avec d'autres organismes d'exécution de la loi.

Prendre des décisions face à des cas complexes et sans précédent qui se soldent par l'arrestation et la mise en détention de clients et par la présentation de demandes de reflux ou de renvoi du Canada de ces personnes. Prendre des décisions et formuler des recommandations qui ont une incidence directe sur l'entrée ou l'interdiction d'entrée de produits agricoles.

Faire les prévisions budgétaires et de dépenses et gérer les budgets et les dépenses de l'unité, y compris les coûts du travail fait en temps supplémentaire, les coûts reliés aux étudiants et les coûts de fonctionnement. Gérer les biens de l'ASFC tels que des véhicules afin de faire en sorte qu'ils soient utilisés de façon efficace et économique.

Déterminer si les renseignements concernant les situations de non-conformité peuvent être échangés avec des organismes de l'extérieur, des services policiers et d'autres ministères fédéraux.

Déterminer et autoriser le niveau de soin des personnes sous la garde de l'ASFC. Cette décision concerne l'administration de soins médicaux et la distribution de nourriture aux personnes détenues pour une période prolongée.

(Les personnes qui introduisent des drogues par ingestion et qui sont en détention courent le risque d'une mort subite attribuable à une surdose de drogue.)

Approuver les fouilles personnelles et la détention conformément à la *Loi sur les douanes,* car les suspects ont le droit de comparaître devant un officier supérieur pour faire réviser la décision de l'agent. Les décisions d'autoriser les fouilles peuvent souvent reposer sur des renseignements vagues et abstraits tenant à des données historiques qui permettent d'avoir des soupçons raisonnablement fondés. Veiller à ce que les personnes qui font l'objet d'une

fouille comprennent leurs droits selon la loi et la charte, notamment leurs droits de communiquer avec un avocat.

Décider du niveau convenable d'enquêtes ou de recours qu'exige l'intervention en cas de situations mettant en cause la conduite d'un agent ou d'une agente, un conflit de personnalité, du harcèlement personnel, des activités illégales, des dossiers syndicaux-patronaux et du harcèlement.

Conditions de travail - Working Conditions

Exposition à des clients en colère, à des menaces et à des propos injurieux, à des situations potentiellement violentes et à des personnes en détention ou sous arrêt. Le ou la titulaire n'a aucun contrôle sur le moment où surviennent ces situations et elles peuvent survenir à des endroits éloignés des lieux de travail principaux. Le travail s'effectue dans divers environnements, y compris dans des conditions météorologiques inclémentes, des extrêmes de température et en présence de gaz d'échappement aux ports d'entrée routiers et aériens. Exposition à des matières ou à des actes désagréables en cas de fouille personnelle, d'examen de déchets humains, de récupération d'enfants enlevés, d'examen de pornographie et de littérature haineuse, d'examen d'articles et de biens personnels qui peuvent être offensants.

Classification proposée : FB 05 (Total des points : 529)

----

1. Connaissances **4 (80 points)**

Est supérieur à un degré 3 étant donné que ce niveau démontre les connaissances au niveau du travail d'exécution.

Est inférieur à un degré 5 étant donné que ce niveau exige des connaissances approfondies d'un domaine d'expertise pertinent et une expérience avec une méthode de gestion opérationnelle.

Est égal à un degré 4 étant donné que le PS applique des principes et méthodes de gestion des équipes d'agents travaillant par quarts; des connaissances de la législation appliquée par l'ASFC et des connaissances pratiques des lois et règlements fédéraux, y compris des connaissances sur le *Code criminel* et la *Charte canadienne des droits et libertés,* exigées pour un recours adéquat aux pouvoirs d'arrestation et de détention afin d'utiliser ces connaissances pour l'exécution des programmes/services et la résolution des questions d'ordre opérationnel.

2. Aptitude à l'analyse **4 (80 points)**

Est supérieur au degré 3 en raison de la responsabilité financière de PS.

Est inférieur au degré 5 parce que ce niveau élabore des recommandations sur la conception de ce programme ou la méthode d'exécution alors que les compétences d'analyse du PS sont appliquées à la résolution des problèmes opérationnels.

Est égal au degré 4 étant donné que le PS analyse et examine les rapports sur les dépenses ayant trait aux heures supplémentaires et aux budgets des opérations. En fonction de cette analyse, élabore des estimations et exprime des recommandations pour les futures soumissions budgétaires. Procède à l'analyse des rapports, directives, renseignements techniques, rapports et renseignements secrets et modifications d'une législation complexe et interprète ces renseignements à des fins d'utilisation par des subalternes. Utilise les bases de données internes/externes afin d'évaluer les risques liés aux voyageurs, aux marchandises et au transport à l'arrivée et au départ.

3. Aptitude à communiquer **3 (45 points)**

Est supérieur au degré 2 parce que ce niveau extrait ou obtient des renseignements qui sont rapidement et facilement utilisables.

Est inférieur au degré 4 étant donné que ce niveau de complexité repose sur les débats relatifs à la consultation et à la facilitation avec des parties ayant des opinions et des intérêts différents afin de résoudre les problèmes relatifs aux programmes/services/
opérations.

Est égal au degré 3 étant donné que le PS obtient des renseignements sur les personnes qui ne coopèrent pas, explique les lois et les règlements au public, aux médias et aux représentants des autres ministères du gouvernement.

4. Interactions **3 (70 points)**

Est supérieur au degré 2 dont la portée présente un problème/une question qui, en règle générale, reste direct et des procédures habituelles sont appliquées afin de résoudre les situations des clients.

Est inférieur au degré 4 étant donné que ce niveau est relié aux conseils adressés aux cadres supérieurs.

Est égal au degré 3 étant donné que dans le cadre de ses interactions, le PS doit être en mesure d'assurer la médiation entre le client et les subalternes afin de résoudre les divergences d'opinions ou les malentendus entre le client et le subalterne afin de clarifier les plans d'action.

5. Gestion du personnel et des opérations **3 (80 points)**

Est supérieur au degré 2 étant donné que ce niveau ne fait pas partie du processus de règlements des griefs.

Est inférieur au degré 4 étant donné que ce niveau exige la gestion au sein de multiples paliers subordonnés de direction.

Est égal au degré 3 étant donné que le PS exerce des pleins pouvoirs de supervision et de signature.

Skill - Habiletés

A knowledge of management principles and practices is required to direct and control teams of officers operating on a shift basis, 24 hours per day, seven days per week, delivering multiple programs to achieve divisional and national objectives propagated by the Agency's border protection mandate.

Knowledge of the techniques and practices associated with interviewing, inspecting and examining people, goods and conveyances is required to achieve the mission of border protection. As well knowledge of threat and risk assessment practices, situation diffusion techniques and Use of Force procedures is required for effective management and direction of officers involved in deterring border related criminality.

Knowledge is also required of international political and socio-economic conditions and the effects that these conditions have on immigration patterns as well as knowledge of the disease and pest status of all countries in regards to the *Plant Protection Act* and the *Health of Animal Act*.

The work requires knowledge of the legislation administered by the CBSA and working knowledge of other federal legislation and the regulations related to 60 other acts. Knowledge of the *Criminal Code* and the *Canadian Charter of Rights and Freedoms* is required to properly use powers of arrest and detention.

In depth knowledge of CBSA staff relations practices and procedures is required to improve and maintain harmonious and productive union/management relationships, to be able to respond to first level grievances and to provide input on union/management issues and grievances to senior management.

Knowledge of the organization, mission, administrative processes of the district is required. Knowledge is required of regional units such as the Intelligence, Investigations and Inland Enforcement Divisions to effect further investigation and prosecution of offences and the development of intelligence information. Knowledge of other federal departments and law enforcement agencies is required to maintain effective partnerships and working relationships.

Reviews and analyzes expenditure reports concerning overtime, and operating budgets. Based on this analysis develops estimates and makes recommendations for future budget submissions. Analyzes budget updates and prepares cost-benefit analysis on operational programs for use by district or regional management.

Performs regular analysis of reports, directives, technical information, intelligence reports and information and changes in complex legislation and interprets this information for the use of subordinates.

Internal and external databases are examined to assess risk of incoming or outgoing travellers, goods and conveyances. This information is analyzed and a hypothesis established upon which threats are conceptualized for the use of CBSA and other law enforcement agencies. The threats identified cover all the programs delivered by the CBSA.

Analyses the trends in view of Agency enforcement and other strategies, to define operational and training needs and to plan future activities.

Analyses proposed national and regional programs, policy and procedures to provide comments to senior CBSA representatives. Recommendations are made on the operational impacts of proposals that will affect service delivery and all CBSA programs from a local, district, regional, and national perspective.

Communication skills are required to question or advise people who are agitated or violent. Communication skills including interviewing and interrogation techniques must be adapted in order to obtain information from non-co-operative individuals.

The work requires providing information and explaining CBSA and other government regulations and requirements to international travellers and others to ensure their full understanding and compliance with the requirements pertaining to the entry of persons and goods into Canada. Public speaking and presentation skills as well as written communications skills are required when explaining legislation and regulations to the public, media and representatives of other government departments.

Communication skills are used when there has been a complaint and there must be mediation between the client and subordinates. These skills are used to resolve differences of opinion or misunderstandings and to clarify courses of action.

Effort - Efforts

Occasionally uses personal protection and use of force techniques for the restraint and disarming of violent individuals requiring physical dexterity and eye-hand coordination.

Strength and dexterity are occasionally required to operate vehicles or boats.

Stands for prolonged periods occasionally observing the work of employees.Occasionally sits at a computer keyboard completing reports and accessing databases.

Responsibility - Responsabilités

Interprets and explains CBSA legislation, regulations and requirements to the public in contentious situations which arise from a misunderstanding or lack of knowledge of the law. Gathers and prepares information required in the investigation of a complaint or appeal. Resolves disputes regarding Agency requirements or service delivery with members of the public, importers or other government departments.

Manages the activities of multi-disciplinary teams that work shifts 24 hours per day located in various geographic locations. Establishes goals and objectives, monitors and assesses performance. Conducts selection and recruitment processes. Identifies and recommends human resource levels through the determination of operational requirements.

Initiates, chairs, co-ordinates and leads special enforcement activities with local and regional units and other law enforcement agencies.

Makes decisions in complex non-precedent cases resulting in the arrest and detention of clients and in submissions being made to reject/remove persons from Canada. Makes decisions and recommendations that have a direct impact on the entry or prohibition of agricultural commodities.

Forecasts and manages budgets and expenditures for the unit including overtime, student and operating costs. Manages CBSA assets such as vehicles to ensure that they are used in an efficient and economical manner.

Decides if information concerning non-compliance can be exchanged with outside agencies, police forces and other federal departments.

Decides and authorizes the level of care of persons in CBSA custody. This decision ensures that they receive medical attention and food when held for a lengthy duration.
(Persons smuggling by ingestion that are in detention are at risk of sudden death due to drug overdose.)

Approves personal searches and detentions as required by the Customs act, as suspects have the right to be taken before a senior officer to have the officer decision reviewed. Decisions to authorize personal searches can often be based on vague and abstract information based on historical data that formulate reasonable suspicion. Ensures that people to be searched understand their legal and Charter rights to contact counsel.

Decisions are made on the appropriate level of investigation or recourse required to address issues that arise involving officer conduct, personality conflict, personal harassment, illegal activity, union management issues and harassment.

Working Conditions - Conditions de travail

There is exposure to irate clients, threats and abuse, potentially violent situations and persons in detention or under arrest. There is no control over when these situations may be encountered and they may occur at locations remote from the main worksites.

The work is performed in a variety of environments including inclement weather, temperature extremes and exhaust fumes at highway and air ports of entry. The work requires exposure to

unpleasant materials or actions when involved with personal searches, the examination of human waste, recovery of abducted children, review of pornography and hate literature and examination of personal effects and goods which can be offensive.
